^(*) Due to economic downturn, Governor Patterson signed the Emergency Unemployment Compensation agreement on July 2, 2008, which extended unemployment compensation benefits and resulted in the increase of the Federal Receipts of \$376.9 million, July through October 2008; and, \$433.5 million, April through July 2009, when the program ended.

^(**) A summary of American Recovery and Reinvestment Act (ARRA) disbursements is located in Appendix C.

^(***) The increase in Unemployment Taxes and Benefits is due to an increase in unemployment claims filed because of the economic downturn and a change in accounting treatment of Federal Withholding Taxes deducted from Unemployment Benefits. To provide greater transparency and accountability, Federal Withholding Taxes deducted from Unemployment Benefits will be added to Unemployment Benefits paid and Unemployment Taxes received rather than as a reduction of Unemployment Taxes received. To implement this change, Unemployment Taxes and Benefits were increased by \$10.2 million for the month of October 2008 and \$72.5 million for the 7 months ended in October 2008 to reflect Withholding Taxes deducted for comparative purposes.

^(*) The Department of Taxation and Finance has implemented a new Empire Processing System which allows for more timely distribution adjustments between NYS, NYC and Yonkers. The negative collections are due to adjustments processed in April 2009. Prior to the onset of this new system these adjustments were not processed until receipt of the final PIT returns which occurred later in the Fiscal Year.

^(*) Due to economic downturn, Governor Patterson signed the Emergency Unemployment Compensation agreement on July 2, 2008, which extended unemployment compensation benefits and resulted in the increase of the Federal Receipts of \$376.9 million, July through October 2008; and, \$433.5 million, April through July 2009, when the program ended.

(**) A summary of American Recovery and Reinvestment Act (ARRA) disbursements is located in Appendix C.

^(***) The increase in Unemployment Taxes and Benefits is due to an increase in unemployment claims filed because of the economic downturn and a change in accounting treatment of Federal Withholding Taxes deducted from Unemployment Benefits. To provide greater transparency and accountability, Federal Withholding Taxes deducted from Unemployment Benefits will be added to Unemployment Benefits paid and Unemployment Taxes received rather than as a reduction of Unemployment Taxes received. To implement this change, Unemployment Taxes and Benefits were increased by \$10.2 million for the month of October 2008 and \$72.5 million for the 7 months ended in October 2008 to reflect Withholding Taxes deducted for comparative purposes.

Chapter 1 of the Laws of 2002 authorized the conversion of Empire Health Choice, d/b/a Empire Blue Cross and Blue Shield from a not-for-profit corporation to a for-profit corporation. Chapter 1 requires, in part, that upon such conversion, assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to a fund designated as the "Public Asset Fund" and 5 percent transferred to a Charitable Foundation - as set forth in (s) 7317 of the Insurance Law. On December 28, 2005, Wellchoice, Inc. (previously known as Empire Blue Cross, Blue Shield) approved a takeover by Wellpoint, Inc. This conversion was also subject to the same Chapter 1 requirements of assigning assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to the "Public Asset Fund".

As of October 31, 2009, \$15,631,309.23 (representing the remaining balance of the State's 95 percent share of the fair market value of the not-for-profit corporation plus interest) is on deposit in the sole custody account titled Public Asset Fund. In accordance with Section 4301(i)(4)(F) and (O) of the Insurance Law and at the direction of the Director of the Budget, these funds are available for transfer to HCRA Resource Fund (061).

*Pursuant to §98 of the State Finance Law, the State Comptroller is authorized to invest and keep invested all moneys, in any fund, held by the State. The Short Term investment Pool (STIP) represents an accounting mechanism that allows for the separate accounting of individual funds/subfunds (on deposit in State's general checking account) for the purpose of making short term investments. Chapter 56, Part PP, §16 of the Laws of 2009 amended §4(5) of the State Finance Law to authorize the Short Term Investment Pool to temporarily loan to the General Fund-State Operations Account (003) funds for a period of four months or the end of the fiscal year, which ever is shorter. However, it must be noted that certain funds/subfunds are invested as part of STIP, but are held by the State Comptroller in a fiduciary capacity. Fiduciary fund balances are restricted and may not be used for any State purposes since moneys in such funds are held by the State in a trustee (or fiduciary) capacity or as an agent for individuals private organizations, or non-State governmental units (e.g. local governments, public authorities). Therefore, Fiduciary fund balances are not available to be temporarily loaned to the General Fund-State Operations Account. Fiduciary fund balances are presented in Schedules 3 and 4 of this report.

^{*} For Federal funds, Federal CMIA regulations require that we draw funds from the US Treasury as checks are 'cleared' instead of when 'issued'. Because of the manner in which we charge federal funds as payments clear our account, there is a timing delay for recording Medicaid payments based on clearances (rather than issuances). For reporting purposes \$7,344,000.00 in outstanding checks are included as Medicaid payments.
