Chapter 1 of the Laws of 2002 authorized the conversion of Empire Health Choice, d/b/a Empire Blue Cross and Blue Shield from a not-for-profit corporation to a for-profit corporation. Chapter 1 requires, in part, that upon such conversion, assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to a fund designated as the "Public Asset Fund" and 5 percent transferred to a Charitable Foundation - as set forth in Section 7317 of the Insurance Law. On December 28, 2005, WellChoice, Inc. (previously known as Empire Blue Cross, Blue Shield) approved a takeover by WellPoint, Inc. This conversion was also subject to the same Chapter 1 requirements of assigning assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to the "Public Asset Fund".

As of October 31, 2020, \$9,541,097.79 (representing the remaining balance of the State's 95 percent share of the fair market value of the not-for-profit corporation plus interest) is on deposit in the sole custody account titled Public Asset Fund. In accordance with Section 4301(j)(4)(F) and (O) of the Insurance Law and at the direction of the Director of the Budget, these funds are available for transfer to HCRA Resources Fund (20800-20849).

(*) Pursuant to §98 of the State Finance Law, the State Comptroller is authorized to invest and keep invested all moneys, in any fund, held by the State. The Short Term investment Pool (STIP) represents an accounting mechanism that allows for the separate accounting of individual funds (on deposit in the State's General Checking account) for the purpose of making short term investments. Pursuant to State Finance Law §4(5) the STIP is authorized to temporarily loan to the General Fund-State Operations Account (10050) funds for a period not to exceed the end of the fiscal year. However, it must be noted that certain funds are invested as part of STIP, but are held by the State Comptroller in a fiduciary capacity. Fiduciary fund balances are restricted and may not be used for any State purposes since moneys in such funds are held by the State in a trustee (or fiduciary) capacity or as an agent for individuals, private organizations, or non-State governmental units (e.g. local governments and public authorities). Therefore, Fiduciary fund balances are presented in Schedules 3 and 4 of this report.

(**) Does not include 0% Compensating Balance CDs.

(*) Temporary Loans are authorized pursuant to Subdivision 5 of Section 4 of the State Finance Law and Chapter 56, Part JJ, Section 1, of the Laws of 2020-21.

The loans represent authorizations made by the Legislature to allow certain funds/accounts to make appropriated payments regardless of the fund (cash) balance. Such loans are made from the State's Short-Term Investment Pool (STIP) and are intended to satisfy temporary cash shortfalls whenever scheduled disbursements exceed available revenues during the fiscal year. Generally, temporary loans are repaid from the first cash receipts of the fund or account; however, in some cases actual revenues are not sufficient to repay all loans made to the fund or account and a transfer from the General Fund "Repayment of Receivables" appropriation is approved by the Budget Director. The balances reported here in Appendix of the 'reported' cash balances of the fund or group.

(**) Temporary loans to federal funds are typically reimbursed within 2-3 days. Such loans are made pursuant to federal regulations which require the State to disburse funds prior to making a reimbursement claim from the U.S. Treasury.

(***) Per Section 72 of the State Finance Law, the General Fund includes the Local Assistance Fund (10000) and State Purpose Fund (10050).
