* For comparison purposes with other localities, the New York City levy is separated into a city and school district component. These components are derived amounts that are obtained from New York City. Beginning with the 1993 edition of this publication, the school component excludes amounts for the City University of New York; for this reason school and city components will not be comparable with data reflected in editions of this publication prior to 1993.

- Notes: 1. This Table does not include levies of certain villages because their data was not available when this table was run. These villages are noted by the designation N/A.
 2. This table has been updated to include revised town levy data for the Town of Clarkstown in Rockland County.
