12 Moira Fire District	\$261	0.5%	\$260
	<u>\$316,643</u>		<u>\$319,331</u>

The local governments reflected in these lists were part of a **sample** of 798 municipalities for which tax cap calculations were recently reviewed by the State Comptroller's Office. There are thousands of other local governments that were not part of this initial sample. If a local government does not appear on one of these lists, it was not part of the sample and compliance with the property tax cap law was not determined at the time these lists were released.
