\* The Corporation's enabling act includes a provision that in order to reduce its operating expenses the Corporation shall, to the extent practicable, utilize existing employees of the State, hiring its own employees only if the necessary functions of the Corporation cannot be performed without the hiring of such employees. Currently, State officers and employees act as directors, officers and staff of the Corporation and receive no compensation from LGAC for services provided to the Corporation. Additionally, in order to build on pre-existing efficiencies, the Corporation has always relied upon State employees to support the functions of the Corporation and has never hired its own employees. Officers or staff provide support to the Corporation on an as needed basis and services provided to the Corporation are in addition to each person's other duties and responsibilities as a State officer or employee. In addition to LGAC's officers, approximately 12 State officers or employees from the Office of the State Comptroller, Division of the Budget and Office of the Attorney General provide core services to the Corporation. Also, other State officers and employees may also provide assistance throughout the year as required.
