

# NEW YORK LOCAL GOVERNMENT ASSISTANCE CORPORATION

Procurement Report  
for fiscal year ended March 31, 2013

# **ANNUAL PROCUREMENT CONTRACT REPORT**

## **Fiscal Year 2012-13**

Pursuant to Section 2879 of the Public Authorities Law and Article X of the Corporation's "Procurement Contract Guidelines, Including Standards for the Selection of Personal Service Contractors"<sup>1</sup> (the "Procurement Guidelines"), the Corporation must annually prepare and approve a report on contracts which includes a copy of the Corporation's Procurement Guidelines and any amendments thereto, a list of the personal service contractors performing services and the status of existing procurement contracts.

The Corporation's Procurement Guidelines were issued on September 4, 1990 and were most recently amended on March 8, 2013 to reflect updates to the Standard Clauses for all New York Local Government Assistance Corporation Contracts (the "Standard Clauses"). The Standard Clauses are an appendix to the Procurement Guidelines and were updated to add language pertaining to Iranian Energy Sector Divestment as required by Public Authorities Law Section 2879-c(4).

The Corporation's Procurement Guidelines describe:

- The areas of responsibility and oversight requiring the use of procurement contracts and the reasons for the use of procurement contracts in such areas;
- The requirements regarding the selection of contractors;
- The types of contracts for which the Corporation should solicit minority and women-owned business enterprise participation; and
- Standard provisions to be made a part of procurement contracts.

In addition to the Procurement Guidelines, the Corporation had previously adopted the Executive Order No. 10 Task Force's Best Practices in procuring Underwriter, Legal and Financial Services ("Best Practices"). The Best Practices seek to increase the utilization of Minority and Women-Owned Business Enterprises (M/WBEs) which is consistent with the spirit and intent of Article 15-A of the New York State Executive Law, the provisions of which also apply to the Corporation.

During the 2012-13 fiscal year, the Corporation entered into one new contract as follows:

- Hawkins Delafield & Wood LLP and Gonzalez Saggio & Harlan LLP, joint venturers, to provide primary bond counsel services. The contract, which commenced February 28, 2012, was the result of a competitive Request For Proposals for Bond Counsel (RFP #11-01) seeking a firm to act as primary bond counsel and a firm to act as secondary bond counsel. The joint venture pairs two firms, one of which is a M/WBE, to provide the primary bond counsel services. This meets with M/WBE requirements set forth in the RFP. The contract for secondary bond counsel, which is also a joint venture as describe above, was approved after the close of the Corporation's 2012-13 fiscal year.

The Corporation's Procurement Guidelines follow and, as part of this annual report, are available on the Corporation's website (<http://www.osc.state.ny.us/pension/debt/gac.htm>). A listing of the Corporation's procurement contracts is also attached.

---

<sup>1</sup> The Procurement Guidelines were initially issued on September 4, 1990 and were approved by the Board of Directors on September 6, 1990, amended on May 24, 1994 and approved by the Board of Directors on June 29, 1994, amended and approved by the Board on June 29, 2010, amended and approved by the Board on June 25, 2012 and amended and approved by the Board on March 8, 2013.

#### 401. Use of Personal Service Contractors

It is the preference of the Corporation Directors that Corporation responsibilities be performed by New York State or Corporation employees assigned to provide services to the Corporation, and that, when Personal Service Contractors are used, contractors be selected from as broad a spectrum of providers as is practical and contracts be awarded consistent with the quality of service required at fair and reasonable prices. Personal Services Contractors shall be used only when it has been determined by the Directors or by a Corporation Officer, as authorized by the Corporation Directors that such service is necessary or convenient to the performance of Corporation responsibilities.

402. Selection and Approval of Personal Services Contractors

1. Source Selection Methods

The Corporation shall select personal service contractors in accordance with the following selection methods:

a. Competitive bid

Solicitation of price bids for specified services, to be awarded to qualifying personal service contractors primarily on the basis of the lowest price. Competitive bids are to be solicited when the services required are of a standardized nature that may reasonably be made the subject of specifications to which bidders respond with required qualification data and price offers.

b. Requests for proposals

Solicitation of specific proposals responsive to the solicitation that indicate an understanding of the financial, legal, organizational and logistical requirements and technical problems involved in the solicitation, which also details elements of performance including techniques and procedures, together with prices. Award of a contract with this method is made on the basis of a formal evaluation of the characteristics, quality and cost of such proposals. Whenever possible, the Request for Proposal must state the Corporation's evaluation criteria, including the process for evaluation of the proposals and award of proposal. Before the proposals are evaluated, a Corporation Officer must approve a procedure with instructions for evaluation for the review of proposals and distribute the procedure to all involved in the evaluation process. The method of evaluation should include, where applicable, provision for numerical ranking of proposals, according to stated evaluation criteria. Evaluations of interviews of proposers shall also be done based on criteria stated in the Request for Proposal. The Corporation shall document the evaluation results and explain the process for selection and the basis for award in its recommendation to the Corporation's Directors for approval of the award of the winning proposal.

c. Sole source

When an authorized Officer or agent of the Corporation determines in writing that there is only one source for a required service, the contract for that service may be awarded without competitive procedures.

d. Emergency

In the case of an emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting funds of the Corporation, property of the Corporation or life, health, or safety require immediate action which cannot avail competitive procedures, an

authorized Officer or agent of the Corporation may award a contract without competitive procedures. A record setting forth the circumstances under which a contract was let shall be maintained for a period of at least a year following the date of approval of the Corporation's next Annual Report on Procurement Contracts.

e. Legal Services

The Corporation will ordinarily select firms to provide Legal Services through a Request for Proposal process. However, the Corporation may select contractors for legal services from a pre-qualified group of potential contractors. The pre-qualified group shall be selected after a competitive process taking into account qualifications and performance data. Any pre-qualified group shall be updated and/or recertified annually. Contract awards shall be based upon responses received from the prequalified group for the specific services then required.

f. Noncompetitive Procedures

Without complying with competitive procedures, the Corporation may award personal service contracts (i) valued below \$5,000(ii) valued at or below \$200,000 to small business concerns or those certified as minority or women-owned business enterprises or (iii) without regard to monetary thresholds when the Directors unanimously determine that it is in the best interest of the Corporation to do so and approve a resolution stating the reasons therefore.

g. Advertisement Requirements for Competitive Sources Selection Methods

The solicitation of bids, proposals, or submissions of qualification data for personal service contracts shall be made by the Corporation in a manner determined by an authorized Officer or agent of the Corporation to be the most cost effective for providing reasonable competition for the Corporation's personal service contracts. This may include advertisement in appropriate newspapers or trade journals, direct mailings to firms considered qualified and such other outreach mechanisms as are consistent with the policy of these guidelines, including the minority and women-owned business provisions thereof. Notice of procurement contract opportunities must be advertised in the State's Contract Reporter as required by Article 4-C of the Economic Development Law.

h. All contracts for Personal Services shall be limited to a maximum of one year unless the Corporation Directors by resolution determine that a longer period for a particular contract is in the best interest of the Corporation. Contracts for periods of longer than one year must be approved by Directors' resolution and reviewed annually by the Directors. Contracts for Legal Services and Financial Advice Services shall not be longer than five years, including the initial contract period and any contract extensions approved by the Corporation's Directors.

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby the Corporation is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the Corporation; or (ii) a written agreement in excess of \$100,000.00 whereby the Corporation is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this contract the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on Corporation contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the Corporation, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein; and

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The Corporation shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The Corporation shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the Corporation shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women’s Business Development pertaining hereto.
