Regulation 315.4

Effective August 12, 2009 and amended August 19, 2015

Requirements:

- Officials are required to keep a 3 month Record of Activities (ROA)
- Individual ROA results are required
- ROA's must be kept on file for 30 years
- Failure to comply with Regulation 315.4 will result in the suspension of service crediting and membership benefits for the officials

3

What is a Record of Activities?

- An ROA is a 3 month log of the duties performed and hours worked
- The 3 month ROA is used to determine the service credit that will be reported to the Retirement System
- An ROA is good for up to 8 years provided that the officials' duties and hours have not substantially changed
- A Recertification of the Record of Activities (RS2419) must be signed with each new term of office
- When an official recertifies to the previous ROA they should be listed on the Resolution with the same ROA result that was previously listed
- An official must create a new ROA any time his or her hours or duties have changed
- The ROA result is the average days worked per month that will be reported to the Retirement System

Update Total 24

To ensure three full months of active working days are reflected on the ROA, extend the period of the ROA by the amount of time used for vacations, illness, holidays or other reasons not worked during the three-month period.

Once you have completed recording activities for a three-month period, print this worksheet and sign and date below.

With my signature, I attest to the accuracy of the record provided above.

 Calculate

ROA Result — Average Days Worked per Month:

5.56

14

Calculating a ROA

Total hours worked in 3 month ROA = 100.00

100.00 total hours ÷ 3 months = 33.3333

33.333 average hours ÷ 6 SWD = 5.55555

Round up to get an ROA result of 5.56

*Always round-up to the nearest 0.00, even if you would round down using normal rounding rules

15

What is a Timekeeper?

- Officials who use an employer's timekeeping system that tracks hours worked and/or keeps track of accruals (i.e. vacation or sick leave)
- Officials who are paid hourly
- As of August 2015, timekeepers are no longer required to be listed on a Resolution

16

Acceptable Timekeeping System

The timekeeping system should include a signature and should attest that full hours were worked except for time charged to accruals. The system should also include the signature of the official's supervisor, when applicable, to certify the information is correct.

Examples of a timekeeping system are:

- Hard copy (paper) time sheets
- Electronic time sheets
- Punch cards

17

Who is responsible for these tasks?

Every municipality is different. Some places share tasks while others have specific positions that deal with each task.

Typically:

- The Town Clerk prepares the Resolution
- The Board reviews the ROA's and the Resolution prior to passing
- The Bookkeeper receives the Resolution and reports days worked based on ROA results

18

ROA Lifecycle

- Official records their ROA and submits to the Municipal Clerk
- Municipal Clerk reviews and calculates the ROA
- ROA is presented to the board for approval
- ROA is retained by the municipality for 30 years.
