^(*) Pursuant to §98 of the State Finance Law, the State Comptroller is authorized to invest and keep invested all moneys, in any fund, held by the State. The Short Term investment Pool (STIP) represents an accounting mechanism that allows for the separate accounting of individual funds (on deposit in the State's General Checking account) for the purpose of making short term investments. Pursuant to State Finance Law §4(5) the STIP is authorized to temporarily loan to the General Fund-State Operations Account (10050) funds for a period not to exceed the end of the fiscal year. However, it must be noted that certain funds are invested as part of STIP, but are held by the State Comptroller in a fiduciary capacity. Fiduciary fund balances are restricted and may not be used for any State purposes since moneys in such funds are held by the State in a trustee (or fiduciary) capacity or as an agent for individuals, private organizations, or non-State governmental units (e.g. local governments and public authorities). Therefore, Fiduciary fund balances are not available to be temporarily loaned to the General Fund-State Operations Account. Fiduciary fund balances are presented in Schedules 3 and 4 of this report.

(*) Temporary Loans are authorized pursuant to Subdivision 5 of Section 4 of the State Finance Law and Chapter 56, Part PP, Section 1, of the Laws of 2023-24. The loans represent authorizations made by the Legislature to allow certain funds/accounts to make appropriated payments regardless of the fund (cash) balance. Such loans are made from the State's Short-Term Investment Pool (STIP) and are intended to satisfy temporary cash shortfalls whenever scheduled disbursements exceed available revenues during the fiscal year. Generally, temporary loans are repaid from the first cash receipts of the fund or account; however, in some cases actual revenues are not sufficient to repay all loans made to the fund or account and a transfer from the General Fund "Repayment of Receivables" appropriation is approved by the Budget Director. The balances reported here in Appendix F are the actual fund balances as of the close of business on the last day of the reporting month and do not include post-closing adjustments. Please refer to Schedule 1 for a detailed analysis of the 'reported' cash balances of the fund group.

(**) Temporary loans to federal funds are typically reimbursed within 2-3 days. Such loans are made pursuant to federal regulations which require the State to disburse funds prior to making a reimbursement claim from the U.S. Treasury.

(***) Per Section 72 of the State Finance Law, the General Fund includes the Local Assistance Fund (10000) and State Purpose Fund (10050).

(****) Temporary Loans are authorized pursuant to Subdivision 5 of Section 4 of the State Finance Law and Chapter 56, Part FFF, Section 1, of the Laws of 2022-23.

(*****) Beginning in Fiscal Year 2024, Military and Naval Affairs Fund (31351) will be included as part of Federal Capital Projects Funds (All Other).
