

Security Administrator/Alternate Security Administrator Responsibilities

An Employer's Security Administrator or Alternate Security Administrator is responsible for submitting employer Retirement Online security authorization requests and monitoring individuals' employer Retirement Online security access. (The Security Administrator's or Alternate Security Administrator's role does not include any responsibilities for other employer online programs, such as RIR.) Specific responsibilities include:

- Requesting Retirement Online system access for users who need it to do business with NYSLRS
- Completing the appropriate steps to remove an individual's employer Retirement Online access
- Completing an annual review and certification of employer Retirement Online security authorization
- Monitoring employer Retirement Online password resets or User ID retrievals for potential fraud
- Reporting fraudulent or suspicious activity
- Assisting with retrieval of forgotten employer Retirement Online User IDs for the Employer's contacts

Security Administrator / Alternate Security Administrator Retirement Online Authorization

Role*: Primary Security Administrator Alternate Security Administrator

Action*: Add Delete Change or Replace _____

Use this form to authorize employer self-service access to Retirement Online for the appointed Security Administrator / Alternate Security Administrator responsible for submitting their location's employer Retirement Online security authorization requests and monitoring individuals' employer Retirement Online security access. The form must be completed by the appointed Administrator and signed by the appointed Administrator and the CEO / CFO (or similar representative) of the entity that is a participating employer in the Retirement System. **Do not use this form to submit requests for other employer online programs, such as RIR.**

Required fields are marked with an asterisk (*). Please complete this form legibly, in blue or black ink. If you require assistance with any part of this form, or if you have any questions regarding the Security Administrator's/Alternate Security Administrator's responsibilities, please call the Employer Help Desk at 1-844-619-9614.

This completed form must be mailed, emailed, or faxed to:

Mail: Employer Services
NYS and Local Retirement System
110 State Street, Mail Drop 5-1
Albany, New York 12244-0001

Email: NYSLRS_Employer_Access@osc.ny.gov

Fax: 518-257-1578

After successfully processing your request, NYSLRS will send a User ID to your Retirement Online Account Email Address and a temporary password will be sent to your Business Mailing Address provided in the "Individual Information" Section.
