SFS Training and Support
Help When You Need It
SFS Coach – Overview

- SFS Coach contains the core, foundational training for new and experienced SFS users.
- SFS Coach is available to all individuals with an SFS agency portal login.
- Train while you work:
  - Keep SFS Coach open in a separate tab while you continue your work in SFS.
- The SFS Coach repository includes over 1000 topics and materials.
SFS Coach – Available from Anywhere in SFS

Look for the graduate when you log into SFS...

Or, click the NavBar to access Coach from any page in SFS.

A description of the resource

The training type (or type of material)
SFS Coach – Excel Tools & Templates

- Excel tools and templates are available directly in SFS Coach.
  - This includes Excel-to-CIs, Excel Uploads, and Excel Templates.

- These tools and templates are all associated with the **Training Type** of Resource Tool.
New to SFS Coach: Search Enhancements

- Improvements have been made to the SFS Coach Search page:
  - Keyword searches will be more efficient, reducing the amount of time needed to find training and reference materials.
  - Key training and reference material relevant to your search will be promoted to the top of the search results with an exclamation point (!) in front of the title.
    - ![SFS_Newsletter_2022_February](image)
  - Popular training and reference material relevant to your search results will be designated with a plus sign (+) in front of the title.
    - [+ Statewide Financial System 205](image)
  - The list of promoted (!) and popular (+) training and reference materials will be kept current as new or updated materials are published and searches are performed by other users.

SFS Support
The SFS Help Desk provides SFS user support to Agency staff.

- Personalized support and answers to agency questions.
- Ready to provide immediate support or, when issues are complex, research questions through subject matter experts.

Single point of contact for:

- NYS Agencies, and their technical team members.
- New York State vendors enrolled in the SFS.

Contact the Help Desk by phone, email, or directly through SFS, using the SFS Support tile.

The SFS Help Desk is Open Monday-Friday

8:00AM - 5:00PM

Call (518) 457-7737 or (877) 737-4185 toll-free

helpdesk@sfs.ny.gov
Help Desk Communication and Responses

- Communicating with the SFS Help Desk
  - Please remember to provide all updated contact information in the original Ticket Request Wizard through SFS, or via email, so the Help Desk can contact you.
  - Please include as many details in your ticket as possible, including:
    - SFS User ID
    - Name of the page you were on when encountering the issue
    - Impacted transaction IDs
    - Screenshots of the page you are experiencing trouble
    - Updated user contact information to ensure the SFS Help Desk has the information required to assist you
  - After contacting the Help Desk by phone or email, you will receive a response from “nyoscpod@service-now.com”.

Contents subject to change.

Appendix
Getting Help – Ticket Request Wizard

- The Ticket Request Wizard will automatically populate your name, phone number, and email (if it exists) in the user profile.
- Once entered or confirmed, click **Next**.
- If the contact information that auto-populates is incorrect, please note the correct information in the Description on the subsequent Details page.
Getting Help – Ticket Request Wizard

- The **Request Type** page will provide users with the ability to choose a category for the request.
- Some categories have Sub-category options.
Getting Help – Ticket Request Wizard

The **Details** page provides space to enter a description, select the impact and urgency of your request, and add an attachment.

Include important information in the description:
- SFS User ID,
- Name of the page you were on when encountering the issue,
- Impacted transaction IDs, or
- Updated user contact information to ensure the SFS Help Desk has the information required to assist you.
Getting Help – Ticket Request Wizard

The **Summary and Submit** page allows users to verify the information and attachments entered, and to click the **Submit** button.
