* For comparison purposes with other localities, the New York City levy is separated into a city and school district component. These components are derived amounts that are obtained from New York City. Beginning with the 1993 edition of this publication, the school component excludes amounts for the City University of New York; for this reason school and city components will not be comparable with data reflected in editions of this publication prior to 1993. On November 25, 2002 new property tax rates were adopted that effectively raised the original New York City levy of \$9,785,627,524 to \$10,816,491,397.
