Length of Service Awards Program - LOSAP

The (Fire District/ Town/ Village/ City) established a defined contribution LOSAP for the active volunteer firefighters of the (insert name of fire department, fire company or fire companies). The program took effect on (insert effective date). The program was established pursuant to Article 11-A of the General Municipal Law. The program provides municipally-funded pension-like benefits to facilitate the recruitment and retention of active volunteer firefighters. The (Fire District/ Town/ Village/ City) is the sponsor of the program.

Program Description

Participation, vesting and service credit

Active volunteer firefighters who have reached the age of ___ and who have completed ___ years of firefighting service are eligible to participate in the program. Participants acquire a nonforfeitable right to a service award after being credited with ___ years of firefighting service or upon attaining the program’s entitlement age. The program’s entitlement age is age ____. In general, an active volunteer firefighter is credited with a year of firefighting service for each calendar year after the establishment of the program in which he or she accumulates fifty points. Points are granted for the performance of certain activities in accordance with a system established by the sponsor on the basis of a statutory list of activities and point values. A participant may also receive credit for ___ years of firefighting service rendered prior to the establishment of the program.

Benefits

A participant’s benefit under the program is the amount resulting from the contributions made by the sponsor on behalf of the participant, plus interest and/or other earnings resulting from the investment of the contributions, less necessary administrative costs, forfeitures and losses resulting from the investment of contributions. Contributions in the amount of $_______ are made on behalf of each participant who is credited with a year of firefighting service. The maximum number of years of firefighting service for which a participant may receive a contribution is forty years. Except in the case of disability or death, benefits are payable when a participant reaches entitlement age. The program provides statutorily mandatory disability and death benefits. [The program also provides optional line-of-duty disability benefits in the amount of $_______, and optional line-of-duty death benefits in the amount of $_______].

Fiduciary Investment and Control
Service credit is determined by the governing board of the sponsor, based on information certified to the governing board by each fire company having members who participate in the program. Each fire company must maintain all required records on forms prescribed by the governing board. The governing board of the sponsor has retained and designated [insert name of 3rd party program administrator] to assist in the administration of the program. The designated program administrator’s functions include [list functions performed by designated program administrator]. Disbursements for the payment of benefits or administrative expenses must be approved [explain process for approving disbursements].

Program assets are required to be held in trust by LOSAP legislation, for the exclusive purpose of providing benefits to participants and their beneficiaries or for the purpose of defraying the reasonable expenses of the operation and administration of the program. [The trust agreement is dated __________, and the trustee is __________.] [Program assets are not held in trust.]

Authority to invest program assets is vested in _______________.
